CIVIL ACTION H-95-1031

FINAL JUDGMENT

1. The preliminary injunction is dissolved.
2. Strattec Security Corporation takes nothing from Fairway Supply Co., Inc.
3. Because the device of General Automotive Specialty Company, Inc., and All-Lock Co., Inc. that combines key, resistor, wire lead, and insulation infringes United States patent 4,250,482, Strattec recovers a judgment that it is unlawful for the All-Lock device to be made, sold, or used for the life of the patent.

Signed August 10, 1995, at Houston, Texas.
